

Welcome to the **Terrific Tigers Class!**

Ms. Desirae, Ms. Karla and I are looking forward to spending the year with your child and watching them grow, learn, make new friends, and most of all have fun and love being part of our preschool program. We have lots of exciting things in store. Your child will have an amazing time!

A few things to keep in mind:

- Please make sure your child always has a change of clothes in their cubby. Accidents do and will happen.
- If your child naps, please provide a blanket and sheet (which is taken home at the end of the week for washing).
- Please provide pull-ups, with Velcro on the side, if your child needs them for nap time.

Meals:

- If your child eats lunch with us please provide a bento container with a spoon or fork. We practice RECYCLE, REDUCE, REUSE!
- Your child is welcome to have breakfast at our school. Please provide this.
 - we supply a nutritious morning and afternoon snack.
- We are a nut-free school. Please do not pack items that contain nuts.
- Please bring a full water bottle to school every day.
- Allergies: We know you've filled out the Emergency paperwork, but please also inform us in person if your child has a specific allergy.

Art:

- We do fun art activities most days. Your child may get messy. Please have your child wear practical clothing.
- We love displaying your child's artwork in the classroom, but once it's ready to go home it will be placed in the art box. The box contains a file with your child's name. Please check it often.

Parties, Birthdays, and other Fun Stuff:

- There will be lots of festive holiday and parties in the Tiger's class. We put on a fun Thanksgiving feast for the family, and have many other fun celebrations.
- We love to celebrate your child's birthday. Please talk to us directly so we can plan a fun day for your child's special day.
- There will also be movie days, spirit days, water days, bike days, and whatever other fun stuff we can think of.
- Your child can bring a special toy to school for Sharing Time, and your child can talk about it in front of the class. Please make sure the toy is small enough to fit into our share box. We will assign names and dates shortly. The children love this!!!

Communication:

- Please talk to us anytime about concerns. Ms. Desirae, Ms. Karla, the office or myself can always take time to address any issues you might have.
- Check the HiMama app for any day-to-day communication.
- We have a bulletin board in the classroom that displays our class schedule, curriculum, snack list and calendar.

Here's to a wonderful school year!
