

**Karla Diaz**

My name is Karla Diaz. I have been working at Resurrection for a little under two years now. I love working with the two's and three's; it is such a fun group. I have a three year old daughter, who is full of life and makes everything a hundred times better. Weekends are all about spending time with my daughter and fiancé, whether we relax, stay home, or do things as a family. I love it.
