

# Hello!

My name is Ms. McKenzie. I am the Program Coordinator here at Resurrection and help out in each of the classrooms we have here. I have been teaching since 2010 when I started here at RCD during my senior year of high school. I knew I wanted to work with children since I was young. I grew up with older siblings which meant I was an aunt at a young age and was always watching my niblings. I love working with all the age groups but I especially love working with infants and children on the spectrum. I have training as a Behavioral Therapist as well, but I am no longer licensed.

I live in Manteca with my significant other our service dog (Zuko, who is sometimes at school with us) and two cats (Killian and Nemo). When I am not at work I love to spend time working on my photography, crafting with my Cricut, going to Disneyland, working with scouts, or spending time with friends and family.
