

# Hello!

My name is Nadine McKeon. I am the Terrific Tiger's teacher here at Resurrection. I started working as a preschool teacher in 2005 and have been at our lovely school since 2011. At Resurrection, I've taught in the 3's and 4's class. I love being a preschool teacher because every day is new and exciting. My days are filled with love and happiness when I work with young children.

Over the years I have continued my Early Childhood Education and now I'm working towards my Bachelors degree. I love learning everything there is to know about the ECE field.

I live in San Ramon with my husband Ross and a houseful of pets (three dogs, two cats and a parrot). I have three grown children: Cameron, Lorelei and Kelly. Both Cameron and Lorelei attend out-of-state colleges in Colorado and New York and my oldest daughter Kelly is a dental hygienist in Portland, Oregon.

When I'm not at work I love to spend my time reading, cooking, traveling to new places and walking my Labrador Winston. I also really enjoy long distance hiking.
