

HELLO!

My name is Simona Metz, and I am proud to be the Bee's teacher at Resurrection Child Development since 2018. I knew I wanted to work with children since the very start of my career in Romania, where I received a Bachelor's Degree in Education from the University of Bucharest, as well as a Masters in Education. I am passionate about teaching because I love working with our youngest learners, and helping each of them progress academically, socially, as well as in developing their language and motor skills. I was a teacher for 25 years in Romania for both elementary school and preschool, and I continued following my passion to the United States. I live in Castro Valley with my husband and my little dog Milo. When I am not at work I love to spend my time cooking for my family different new dishes, and going on walks with my grandchild and my dog.

A few random facts about me

My favorite color : Purple

My favorite holiday : Christmas

My favorite children's book : "Good Night Moon", by Margaret Wise Brown

I dislike : Shrimps, and conflict

I can't live without : coffee and my family
